

### LEARNING PIPE BAND DRUMMING

Classes for piping and drumming are arranged on a regular basis. Tuition in a group is a productive way to learn these exciting instruments. For aspiring drummers the experienced tutors will follow the prescribed course to cover the initial aspects of pipe band drumming. Learner drummers begin with sticks and a practice pad. Only once they have mastered these would they progress to the full instrument and at that time we can discuss what is involved in playing drums in the Band. If you have any questions or want more information please email us: [haveago@napierpipeband.nz](mailto:haveago@napierpipeband.nz)
